SKOOL / SCHOOL

2023

Looking back at 2023, I am filled with gratitude. To be part of an institution specializing in the teaching of learners with various barriers to learning remains an honour. I am proud and privileged to be associated with this beautiful school. Our strategic aim for the short and medium term is to remain true to our vision and to maintain the high standards that learners, parents and the WCED have become accustomed to. We will

actively encourage our staff to continuously develop professionally and to stay abreast of the latest developments in special education.

Hierdie Jaarblad spreek van soveel spesiale momente en prestasies van ons leerders – ons belangrikste kliënte. Ek wil ook ons belangrikste beleggers – ons ouers – bedank vir u betrokkenheid by u kind en by die skool. Ons personeel bly steeds ons belangrikste bate. 'n Gelukkige onderwyser lei na 'n gelukkige kind. Die uitsonderlike akademiese en sportprestasies getuig van die gehalte werk wat by Jan Kriel gedoen word. Ons is ook opreg dankbaar vir die vele vriende en donateurs van regoor die land wat die skool in staat stel om sy belangrike werk voort te sit. 'n Groot dankie dus ook aan die Jan Kriel Instituut vir hul harde werk en die vele opgraderings aan infrastruktuur – veral in ons koshuise – wat vanjaar plaasgevind het. Ten slotte wil ek ook ons huidige Beheerliggaam, wie se termyn binne enkele maande tot 'n einde kom, bedank vir hul opofferende bereidwilligheid om soveel tyd en energie aan die skool te spandeer. Dankie aan me van Jaarsveld onder wie se bekwame leiding die nodige beheer en ondersteuning aan die skool vanjaar suksesvol gebied is. Ons suksesse vanjaar kan herlei word na ons tema vir 2023: *“The bigger the dream, the more important the team.”*

Die Jan Kriel Instituut is 'n kerklike organisasie wat getaak is met een doel: Die aanbied en voortbestaan van hoë gehalte spesialis onderrig aan die kinders van Jan Krielskool. Om hierdie doel te bereik werf die Instituut vriende en fondse en bestuur ook die eiendom (28 hektaar met skoolgeboue, koshuise, sportgeriewe en privaat wonings). Hiervoor beskik die Instituut oor drie strome van inkomste: Donateurs (eenmalige, jaarlikse en maandelikse donasies asook bemakings), Bellegingsgroeï (Rente-inkomste uit Volhoubaarheidsfonds) en Verhurings van skoolgeboue en wonings. Graag bied ons insae in die wyse waarop fondse die afgelope finansiële jaar (2022/2023) bestuur is:

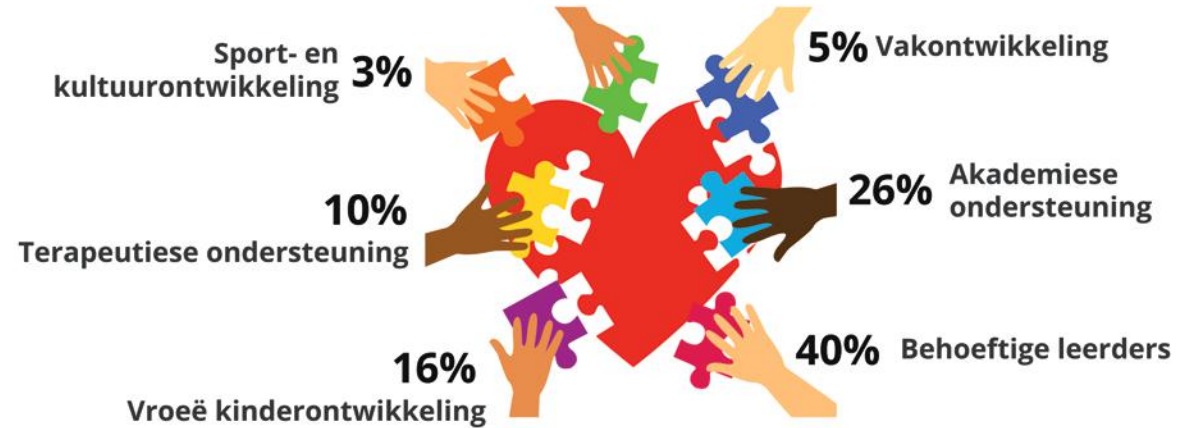

BRONNE VAN INKOMSTE

AANWENDING VAN FONDSE

BEDRYFSBEFONDSING AANGEWEND DEUR JAN KRIELSKOOL (R3.6 miljoen)

Gedurende hierdie tydperk is voortgegaan met bouwerk op die terrein. Die belangrikste hiervan is beslis die opgradering van die koshuise se brandtoerusting en brandopsporingstelsels. Die Nepgen-kompleks (wat van 1947 tot laat 1980's as kombuis en eetsaal gedien het) is herontwerp en ingerig om vanaf 2024 'n privaat laerskool (as huurder) vir kinders met leergestremdhede te huisves.

Gee 'n Kind 'n Kans! Give a child a chance!

As Chairman of the Governing Body, I look back at 2023 as a year full of growth.

I have recently read the school's vision for its learners again: "That each learner with his/her unique educational needs will achieve his/her full potential and grow towards maturity, in order to become an independent and valuable member of society."

The school's vision is pursued by each one of the staff. It takes pressure off parents to know that we can send our children to school every day knowing that here each child's individual needs are really taken care of.

Jan Kriel Skool is die voorloper van skole met spesiale onderrig en dit sou nie moontlik gewees het sonder die toegewyde manier waarop ons kinders opgehef word tot hulle volle potensiaal nie. Ons kan die skool se hand sien in die manier waarop ons kinders uitblink en presteer in akademiese, kultuur en sport.

Ons as ouers is dikwels so besig met die dag-tot-dag eise dat ons soms vergeet om hoogtepunte te vier. Elke oomblik met ons kinders moet gekoester word. Geniet julle kinders en die oomblikke saam met hulle, want in 'n oogwink is dit verby.

Many thanks to the Jan Kriel Institute and donor friends for the continued support and contributions to make Jan Kriel School the school it is today. Without you it would not have been possible. Thank you also to our Heavenly Father for infinite love for Jan Kriel School.

Finally, also to my fellow governing body members: Your active contributions and time spent are truly appreciated.

Good luck to all our learners and especially the Matrics with the final exams of 2023. May you experience peace and calmness and give your best.

VOORSITTER VAN DIE BEHEERLIGGAAM

Celebrating Jarryd's remarkable achievements!

Jarryd's dedication, leadership skills, and commitment to making a difference have propelled him to new heights in his journey as a learner and representative.

In 2021, Jarryd's peers recognised his potential and elected him to the prestigious position of the Jan Kriel School's Representative Council Learner (RCL) for 2022. He quickly proved himself capable of handling greater responsibilities and was subsequently chosen as the RCL representative on the School Governing Body — an achievement that exemplifies his ability to collaborate effectively and advocate for the learner community.

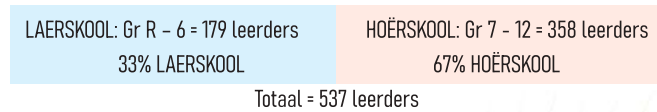

March 2022 brought yet another triumph for Jarryd as he was elected Deputy Secretary of the Metro East Education District RCL. This recognition of his leadership qualities at a district level showcases his ability to inspire and engage with a broader audience. As the end of his grade 11 year approached in 2022, Jarryd's peers acknowledged his remarkable qualities by electing him as the Chairperson of the RCL — an extraordinary feat that highlights his exceptional leadership skills and commitment to fostering positive change within our school. Jarryd's contributions did not cease there. In the beginning of this year, he continued to represent our learners at the School Governing Body — a testament to his unwavering dedication and drive to ensure the learner voice is heard and respected.

March this year marked an unforgettable milestone for Jarryd. He participated in the district conference held at the Groot Drakenstein Cultural Facility, where representatives from various districts in the Western Province congregated. Demonstrating his ability to stand out among his peers, Jarryd emerged as one of the two representatives chosen from his district, vying for a position in the Provincial RCL Forum. Thanks to his unwavering support from the voters, Jarryd earned the honour of receiving the highest number of votes among the 16 selected candidates. This accomplishment speaks volumes about Jarryd's exceptional leadership and charisma.

We are proud to announce that Jarryd has assumed the prestigious role of Chairperson of the Provincial Forum of the Western Province — a position that represents all high schools in the region. This remarkable achievement not only underscores Jarryd's remarkable abilities but also highlights his dedication to fostering positive change at a broader level.

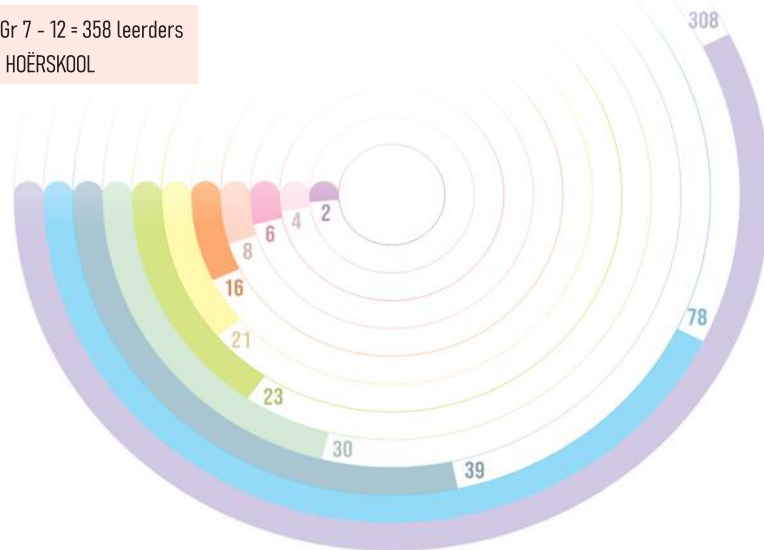

Jarryd, your achievements are truly awe-inspiring, and we are honoured to have had you as our Head boy. Your unwavering commitment, passion, and leadership skills have left an indelible mark on our school community. We applaud your accomplishments and eagerly anticipate the positive impact you will continue to make in the future. You are an exemplary role model for all, and we are incredibly proud of your extraordinary journey!

A systemic approach to *parental stress and parenting styles*

From birth through adulthood, parents are the most crucial and vital figures in children's lives. The social and emotional development of children is influenced in many different ways by parenting and parent-child relationships. Parenting is difficult and demanding, and ongoing stress has a negative impact on the health and happiness of parents. Parenting stress also has an impact on child development, parent-child interactions, and parenting techniques.

Children are not going through their difficulties and challenges in isolation; there is a reciprocal relationship between family functioning and child

development. When a child is identified as having a disability or illness, parental suffering occurs. Guilt, anxiety, grief, and sorrow are all possible emotions for parents to feel. Accepting and adjusting to the problems is the next step. It is not surprising that parents frequently describe feeling stressed and burned out because this process is constant and ongoing.

Parent distress, conscious or unconscious, affects their children. Parental reaction is pivotal in the management of neurodevelopmental disorders such as Specific learning disorders (SLD), Attention Deficit Hyperactivity Disorder (ADHD), and Autism Spectrum Disorder (ASD). Parenting styles influenced by parental stress could maintain difficulties and hamper adjustments. For example, over-reactive parenting can exacerbate restlessness and impulsivity in children with ADHD. Over-protective parenting can maintain dependency in a child. High levels of parental stress can lead to increased irritation and decreased tolerance causing negative parenting styles such as authoritarian and permissive parents, causing a decreased ability to self-regulate, and an increased risk of conduct problems.

Research findings suggest that increased demands placed on parents of children who are diagnosed with neurodevelopmental disorders (SLD, ADHD, and ASD) can lead to feelings of ineffectiveness, increased strain in parent-child relationships,

decreased coping mechanisms, and self-efficacy and interactions characterised by lack of pleasure and positivity. These diminished parenting resources can result in coercive dyadic interactions between the parent and child, as well as less positive, consistent, and effective parenting behaviours overall.

A combined healthcare approach (medical and psychological support) through which parents assimilate information regarding their child's challenges, is suggested to be effective in helping parents manage their child's condition. Parents need support, either through mindful parenting support groups and/or psychological support to acknowledge parental distress and enable parents to deal with challenges.

Mindful parenting is associated with self-compassion and integrating mindfulness into thoughts, feelings, and parenting behaviours, bringing an attitude of compassion, acceptance, and kindness to the parent-child relationship and being fully present during parent-child interactions.

Being a parent is a blessing, rewarding, fulfilling, and a challenge.

We are extremely honoured to have been the Head leaders of Jan Kriel School for 2023. Jan Kriel has motivated and supported us as matrics in being the absolute best versions of ourselves, which is something we will forever be grateful for. We wish our fellow matriculants the best of luck in pursuing their dreams and ambitions after school. Just remember there will be times when it will feel like the world is happening to you, but you are also happening to the world. So don't wait. Make what you want to happen as tomorrow isn't promised.

Whereabouts

Ons groet ...

Mariet Oosthuysen

het 'n uitsonderlike bydrae gelewer aan Jan Krielskool vanaf April 2014 tot Junie 2023. Sy was 'n vrou met 'n indrukwekkende verskeidenheid van talente en het met energie, 'n sin vir humor, gaafheid, bedagsaamheid, en 'n vasberadenheid om dinge reg te maak, uitgestaan.

Vir Mariet was geen taak te groot nie en geen vraag te klein nie. Sy het 'n omgewing geskep waar leerders haar gerespekteer het en waar personeel altyd welkom was om haar kantoor te besoek, hetsy met groot uitdagings of klein probleme, of selfs net vir 'n 'afpaksessie'. Sy het 'n onuitwisbare merk in die harte van die JKS personeel gelaat en haar afwesigheid sal gevoel word.

Ons hoop dat ons paaië in die toekoms weer sal kruis en dat Juffrou Mariet sukses sal beleef in elke nuwe avontuur wat juffrou aanpak. Haar bydrae as Laerskool Adjunkhoof sal vir altyd onthou word. Voorspoed vir die toekoms!

Na meer as 7 jaar
verlaat Nadia Jan

Krielskool om 'n nuwe rigting in te slaan. Nadia het diep spore getrap op vele gebiede: SAALO, E-Leer, Webtuiste, Jaarblad, FACEBOOK, Skoolbestuurspan, GBS-span asook in die klaskamer. Sy het nuwe betekenis aan tegnologie in die klaskamer gegee.

Sy was passievol oor haar werk en het kinders met liefde ondersteun om kwaliteit resultate te behaal, selfs tot laat in die middag. Sy kon op haar voete dink en het vir geen uitdaging teruggestaan nie.

Sy was 'n aanwinst vir Jan Krielskool en haar liefde en passie vir werk sal ons altyd byby. Ons glo sy sal haar droom uitleef en ons trots maak.

Ons groet met trane in ons oë, maar ook met blydschap in ons harte vir jou blink toekoms. Mag Jesus vooruit gaan en jou paaië gelyk maak.

Baie dankie, Nadia - ons gaan jou mis!

Stefini Dippenaar
was 'n onderwyser in die Intermediêre Fase vanaf Januarie 2017 tot Maart 2023. Haar ses jaar diens by Jan Kriel was 'n onvergeetlike tydperk. Stefini was 'n

entoesiastiese sportliefhebber, 'n grapjas en 'n barmhartige onderwyser vir haar klas. Sy het 'n onuitwisbare indruk op die leerders gemaak, wat selfs na jare steeds by Juffrou Stef inloer. Stefini se liefde vir Wiskunde, Natuurwetenskappe en sport het sy by Jan Kriel ten volle uitgeleef.

Sy het ook 'n rol gespeel in die beplanning, versiering en verkope tydens die Markdag en uitstappies. Prettdae was onvolledig sonder haar bydrae.

Ons groet Stefini met 'n glimlag in ons harte en 'n traan in ons oë. Ons wens haar voorspoed toe in haar nuwe loopbaan in Bonnievale en hoop dat sy daar sal voortgaan om harte aan te raak.

Sophia Joseph het 17 jaar lank in verskeie koshuise gewerk. Sy het einde Maart 2023 afgetree en na haar tuisdorp in die Noord-Kaap verhuis om saam met haar seun en twee

kleindogters te wees.

Sy was 'n ware aanwinst vir die koshuise, 'n moederfiguur vir ons leerders, en het 'n diep liefde vir hulle gehad. Dit was 'n voorreg om haar te ken en te ervaar. Ons glo dat haar aftrede 'n beloning is vir die goeie werk wat sy gedoen het, en ons wens haar 'n lewe vol vreugde en vervulling toe. God se goedheid en guns vir haar aftrede.

Ons verwelkom ...
